

Identifying Trends, Themes and Relationships
USH Honors Chapter 2 Section 1

Name _____
Date _____ Period ____

Directions: During and after the Civil War, America was moving west. In the graph below, identify the ways that America changed through this transition. You will have several points for each box. At the bottom, answer the question given in complete sentences. Bullet point answers will NOT be accepted.

Growth of the Mining Industry

Boomtowns:

Mining and Statehood

Mining Technology

Ranching and Cattle Drives

The Open Range/Demographics

Based on the information from the section, clearly identify at least 4 ways that mining and ranching transformed the West.
