

Identifying Trends, Themes and Relationships
USH Honors Chapter 2 Section 1

Name _____
Date _____ Period ____

Directions: During and after the Civil War, America was moving west. In the graph below, identify the ways that America changed through this transition. You will have several points for each box. At the bottom, answer the question given in complete sentences. Bullet point answers will NOT be accepted.

The Great Plains

Life on the Plains

Government Support/Settlement

The Homestead Act (1862)

Tech & the Wheat Belt

Farmers and Hard Times

Based on the information from the section, clearly identify at least 4 ways that farming transformed the West.
