

## CHAPTER 2 STUDY GUIDE: DUE ON TUESDAY, OCTOBER 18, 2022

### What do I do?

- Review Chapter 2.
- On your own paper, answer the discussion questions related to the review IN COMPLETE SENTENCES.
- Extra Credit:** To add 10 points extra credit (33/30) to your Study Guide grade, you may complete your vocabulary (hand-written) and turn in with the short response answers. This must be neatly completed and in numerical order.

### MUST DO:

**DISCUSSION QUESTIONS:** Complete the following discussion questions by answering each question in complete sentences. Each question will provide you the opportunity to answer in **3-5 sentences**. Short responses or incomplete statements WILL NOT be graded.

1. Why was mining a key element in U.S. industrial growth?
2. Explain why California and Nevada were two of the first western territories to become states.
3. How did migration affect Hispanics in southwestern territories?
4. What do you think the United States government gained by enacting the Homestead Act of 1862?
5. Why did the United States government promote higher education and research in fields such as agriculture and science with the Morrill Land Grant College Acts?
6. Summarize the purpose and results of Indian boarding schools and the Dawes Act.

### EXTRA CREDIT:

**VOCABULARY:** When identifying key terms, you should explain how the person or item related to the period that you are studying. Why is this person/thing important? What did they do that was significant in history?
