Lenses of AP Seminar
What is a Lens?

- This is a perspective – a point of view that is conveyed through an argument!
- Arguments often use multiple perspectives to support what they are saying.
- How do we find the perspective...through “lenses”...
What are my lenses?

- Cultural & Social
- Artistic & Philosophical
- Ethical
- Political & Historical
- Futuristic
- Environmental
- Economic
- Scientific
Practice: As a group, please revisit your topic from yesterday’s class. How could we approach this through lenses?
